## COUTURIER COTTON

For sheer loveliness, nothing could be nicer than this two-piece couturier cotton by John Rich in Lonsdale's sheer plaid. Intriguing cape sleeves echo the airy swing of the skirt. National Cotton Council fashionists report that sheers are among the season's most important fashion fabrics.

## Anson Golf Meet To Have Many Local Entrants

Qualifying for the second annual Anson Country Club Invitational golf tournament is scheduled for June 21, and the three-day tournament will follow on June 22 through the 24.

The low 16 qualifiers will compose the championship flight. Entry fee is \$5.00. Prizes totaling around \$1,500.00 will be awarded the various winners. Alton Wash, club president, has announced.

A buffet supper and long driving contest are included in the schedule for June 21.

Many Hamlin golfers have signified an intention to enter the tournament.

## It Gives Him Pride

Lance Carmichael, son of Mr. and Mrs. Stanley Carmichael was walking homeward and his mind was on the problems that beset the youngster of today. He was passing the Lee Drive Inn and was attracted by the odors and other visions of good things to eat.

Glancing downward, he spied a billfold which he idly stooped to pick up. Inside was \$50.00. That's a lot of money, even to an adult. But Lance overcame his desire to pocket the money and started making inquiries as to the owner.

As a result he has received the following letter:

Dear Sonny:

I'm really grateful for finding my billfold and returning it. It was all the money we had for a long while.

I hope you return things you find all your life this way and you'll be blessed by it if not by material things.

God bless you and thank you again.

Mr. and Mrs. Dub Turner

Lance is very proud of the \$50.00 which was rewarded him for the return of the billfold.

## Moore Lake Water Is Used Temporarily

Mayor Mac Brundage revealed that water was taken from the old Moore lake for several days during the past week in order to reduce the volume of water in that reservoir.

An analysis of the water in the Moore lake was made when the water shortage became acute in May and the gyp content of the sample prohibited the use of the water. The rains which came subsequently washed the solids around and permitted the use of the water while repairs were being made to the filtration system at the new lake.

Connection with the new lake has been re-established and that water is now being used.

## Flier Writes of Gratitude for Hamlin Assistance During May Electrical Storm

Aftermath of the incident that occurred during the electrical storm of last month brought the following letter which will be of interest to Hamlin citizens.

June 6, 1951.  
Mayor of the City of Hamlin, Hamlin, Texas.  
Dear Mayor:

I am writing you as the pilot of the Air Force C-47 which buzzed the City of Hamlin on the night of 17 May, 1951.

My crew and I wish to express our sincere thanks and appreciation for the assistance rendered by the people of Hamlin who were attempting to light up your landing field so that we might land.

After buzzing the field four or five times it was determined that it was not suitable to hold our aircraft under the weather conditions at that time. I would like very much to personally thank the person who seemed to sense that we could not land and proceeded

to the water tower northeast of town and shone his spot light on it, enabling us to read the name of Hamlin on it. We were then able to locate our position on a map and proceed to Abilene.

It was necessary for us to buzz your city, due to the fact that we had encountered severe thunderstorms northeast of Hamlin and could not establish radio contact, thus becoming lost while flying on instruments. At the time we were over Hamlin our fuel supply was one hour and fifteen minutes and it was necessary either to land or be able to identify our position.

Again, I wish to thank the people of Hamlin who unselfishly gave their time and efforts to help us in our distress and I sincerely hope I did not cause any trouble during our stay over your city.

Sincerely,  
THOMAS A. BLAKE  
Captain, USAF

## Cardinals Contest Paducah at Park In Saturday Night Game After Taking Thorough Whipping There Last Monday

Baseball fans of Hamlin are to be treated to the spectacle of a real baseball team Saturday night when the Paducah club comes here for a return engagement after entertaining the Cardinals at Paducah last Monday night.

Composed principally of former Texas and Baylor university ball players, the Paducah satellites are a clouting nine with fielding class as well. Hub Ingraham and Speedy Benson are known to fans here and they are members of the Paducah clan.

Other performers for Manager Bean are Brian Conn, Frank Bragan, Luther Porter, Bobby Bengel, Ken Williams, Jimmy Crouse and Doug Harper.

Game time has been set for 8:15 p. m. to allow more late workers to attend.

In the Monday night game at Paducah, Hamlin was "overpowered" in one inning. Frank Bragan, kid brother of the Fort Worth manager, got life on a fielder's choice and scored later in the first inning on an infield error. Harper retired the Cardinals in order to round out the first inning and then the deluge came for J. B. May. May had run into trouble in the first inning finding the plate and bore down too hard in the second to get the pitch in the strike zone. The Paducah hitters began to tee off and 10 runs were tallied off the combined offerings of May and Manager Runt McCoy.

After the disaster in the second McCoy allowed only two runs as the Cardinals began to peek away at the Paducah lead.

Through seven innings, Hamlin was able to chalk up 8 runs and were on their way to additional counters when the elements took over.

Without warning a light rain started and before the game was called and players could get to their cars, hail began to pelt spectators and players alike. A sustained hail storm of about 40 minutes duration raged and accompanied wind brought threat of a cyclone.

Beautiful cotton crops that had been noted by Hamlin players are believed to have been wiped out by the hail.

The Cardinals will have a more representative team on the field for the Saturday night game and should provide an interesting fracas for the Paducah aggregation.

## Neinda Reunion Set For July 1 Conclave

Announcement was made early this week that the annual Neinda Reunion will be held July 1, one mile north of Neinda.

All former residents and entire public is invited to the event.

The evening will be spent in visiting, singing and the like. Each attendant is asked to bring their lunch to be spread at noon.

## Mrs. Simmons To Take Homemakers On Encampment

Twenty members of the Hamlin Chapter of the Future Homemakers of America are acting as hostesses June 14 to 16 to an area camp at the Presbyterian encampment grounds at Buffalo Gap. Mrs. J. E. Simmons is the local sponsor.

Swimming will be directed by George Owens, Anson, Jones County Red Cross swimming director. Mrs. Jewel Lea, Knox City, will direct shell craft, and each school will make a contribution to the program and to the general management of the camp. Mrs. A. F. Dixon and Mrs. Otto Wooderson will cook for the girls.

Schools participating with their sponsors are:

Anson, Mrs. Edna Beck; Aspermont, Mrs. Bert Mullins; Old Glory, Mrs. Nadine Bryson; Knox City, Mrs. Jewel Lea; Rotan, Mrs. Norville Kennedy.

Olney, Mrs. Inez Neeley; Stamford, Mrs. H. K. Langford and Miss Ethel Rowell; Rule, Miss Dahlia Kipling; Seymour, Mrs. Nancy Jo Murphy and Mrs. Vaughn; Hamlin, Mrs. James E. Simmons. Several chapter mothers will attend from each town.

## CRISP AND COOL

Typical of the cool, crisp summer fashions that soon will be seen everywhere is this smart tissue checked cotton with white pique collar and cuffs. Tiny scallops add a feminine touch to this fresh style by Nali-Bee in wrinkle-shed cotton. National Cotton Council fashionists report that tissue check cottons are among the most popular summer fabrics.

## BRIGHT SUN, BRIGHT STAR

Flashing a smile that competes with the brightness of the California sunshine, Hollywood's newest star, Adele Mara, acquires a tan during off-moments from the movie camera. The pretty Republic actress wears an eye-catching play outfit of flowered cotton. Miss Mara currently is starring in "California Passage."

## Golf Tournament by Lakeview Country Club Will Pit All Classes Against Each Other in Naming of New City Champion

Golf enthusiasts of Hamlin met at the club rooms adjoining the fire hall Tuesday night to lay plans for the city tournament which will be conducted starting July 8.

President Chuck Abbott asked for an expression of preference as to the manner in which the tournament will be conducted and the members present voted to stage matches on a match play basis. This method of play provides that competitors will meet in 18-hole matches which will be decided on a holes-won basis rather than on total score for the course.

A list of possible entrants in the event was compiled and average scores for the course were assigned for qualification in the different flights.

Committees are now interviewing the listed golfers to learn whether they will enter or not and pairings will be made after the entry list has been completed.

Players will be handicapped according to their average score and final champion will be determined after his score is reconciled with his handicap.

Abbott was empowered to purchase a power mower for trimming of grass around trees and traps and other growth which can not be cut with the tractor drawn mower. Work will also start at once to build caliche tee boxes and replace water-logged sand on the course.

The July tournament will be the forerunner of several that are planned for the club.

Tentative list of competitors includes C. D. Leonard, Elmer Feagan, Bill Feagan, Sam Ferguson, Chuck Abbott, Carl Young, Haskell Carter, Al Ford, Brad Rowland, Jr.

Holly Toler, Austin Poe, Arlie Cassle, Runt McCoy, John Hudson, Miller Whitehead, Lowell Cure, Harry Carmichael, Charles Connally, Mr. Palmer of Rotan.

George Poe, Teddy Russell, Jim King, John F. Green, Don Hymer, Earl Smith, Toby Williams, Tate May, W. C. Russell and Benny Ford.

J. B. Terrell, Jr., Bill Harbert, Stan Carmichael, Carl Murrell, Joe League, Gerald Young, Starr Lizer, Billy Joe Wilson, Cotton Bell, Dud Griggs, Chili Gardner, C. L. Howard, Albert Chandler, Robert Fowler, E. W. Cox, Bill Eysen and Jake Lawson.

Additional entries may be posted as golfers indicate a desire to participate.

Many a man has roamed the streets late at night without a reason. If he could think of one he would have gone home earlier.

The world won't beat a path to your door even if you have a wonderful trap—if you keep it rattling all the time.

## Telephone Rates Up After Wage Jump To Keep Up Pace

Higher wages for telephone employees are going to mean further increases in rates for telephone users.

"The increased wages granted telephone employees early Tuesday will have to be reflected in increased rates," Marshall Kemp, manager of the Southwestern Bell Telephone Company, said today.

"The company's total earnings on its Texas property last year, even with former wage levels, were far too low, much lower than other representative industries make. The increase will, of course, force our earnings even lower unless they are recovered through higher costs of furnishing telephone service.

"This must be reflected in increased rates throughout the state. It makes even more urgent the need to reprice telephone service telephone service in line with present costs.

"Total costs of this wage increase in Texas are estimated to amount to well over 7 million dollars a year. This brings the current annual cost of wage increases granted in the state since 1939 to 42 million dollars, while the company has received 21 million dollars annually through increased rates—about half of the increased wages.

"This is a situation which cannot continue without jeopardizing the future of good telephone service. Wage costs take half of all the money we take in from the sale of telephone service.

"A good communication system is vital to the business and social life of the state, and to the safety of the nation in times of emergency. It is essential that we keep the telephone business financially capable of meeting the great demands being made upon us."

## Foursquare Church Announces Revival

Announcement was made last week that the Hamlin Foursquare Church began a revival Sunday, 10 to last through Sunday, June 24.

Evangelist R. E. Humphrey is conducting the services each evening at 8:00 p. m.

Special music will be given throughout the revival and a cordial invitation is extended to all to attend.

We don't believe that brunettes have any sweeter disposition than blonds. The wife has been both and we can't see any difference.

## Lions Club Has Installation of Officers With Rupert Richardson In Charge

Installation of new officers for the Hamlin Lions Club was the order of the day at the Tuesday meeting of that service club.

Date for the installation was advanced from its original schedule when it was learned that B. V. Newberry was to start his trek to the national convention at Atlantic City early. Newberry will spend some time at Chillicothe and Dallas before starting for the Atlantic seaboard.

Rupert N. Richardson, president of Hardin-Simmons University, functioned admirably as master of ceremonies in the ritual employed and his wit in delivering instructions to the new officers added spice to the program.

Newberry was elevated from a first vice-president slot to the helm of the club, succeeding Jim Howard King. Claude Lancaster succeeded to the post left vacant by Newberry and Clarence Bailey becomes second vice president. J. N. Burditt was elevated from his position as Tail Twister to third vice president.

Two year directors are Onis Crawford and Walter Sanders and

Art Carmichael and Travis Hash become one year directors.

Q. Don Gould takes over as the secretary of the club as a replacement for Clarence Bailey, long a tireless worker in that position. Edgar Duncan will administer the financial duties as treasurer as a replacement for Onis Crawford, after Crawford had asked to be relieved of that duty.

Travis Hash was not present for induction as a director, nor was Harry Carmichael there to assume his post as Tail Twister.

Miller Whitehead took over as Lion Tamer as a part of the youth movement in the naming of the official family. Jim King and Frank Harrington were notified that they had qualified as key members of the club through their efforts in obtaining new members.

Doyle Blackford was presented a small gift as an aftermath of his recent wedding.

Guests were Rev. Duane Bruce new pastor of the Hamlin Methodist church, Bill Blakeney, superintendent from Abilene of the Southwestern Bell Telephone Co. and R. T. Spaulding of Odessa.

## Bids Asked for Parcels Post Delivery Here

Postmaster Perry Sparks has announced that his office will accept bids until 5:00 p. m. Monday, June 25, for the delivery of parcels post from the Hamlin post-office.

The request for bids is issued as a yearly procedure prior to the execution of a contract for this service.

No announcement has been released in the matter of the bid call which was made for an increased floor space for the post office.

## S. Duane Bruce Is New Pastor For Methodist Church

Reverend S. Duane Bruce has been installed as pastor of the Methodist Church in Hamlin as a successor to Dr. Will C. House, retired.

Reverend Bruce is a graduate of McMurry College, Abilene, and Southern Methodist University. He served as associate pastor of the First Methodist Church, Lubbock and pastor of the following churches, Denver City, White Deer and Albany.

Mrs. Bruce is a graduate of McMurry College also and the couple has two children, Danny, six years of age and Sharamine, three.

They are now occupying the parsonage and have assumed their places in the spiritual life of the city.

Reverend Bruce was also active in Boy Scout work while in Albany.

## Cardinals To Play Abilene Sunday

A series of home games are on tap for the Hamlin Cardinals and one of the chief attractions will be the appearance here Sunday of an Abilene independent club. This game is set for 3:00 p. m. and will be called promptly at that time in keeping with the announced policy of Manager Runt McCoy to begin games at the advertised time.

The Saturday night game with Paducah leaves McCoy without definite information as to who is to start the Sunday game. This will depend on how the hurlers fare against the Paducah batting attack.

Little is known of the Abilene organization except that a number of college stars are included in the lineup.

Additional games with Trent and Dickens are in the offing for the Cardinals before the July 3 date with the strong Turkey aggregation.

CAVALRY SWEETHEART—GI's of the 7th Cavalry Regiment in Korea took time out from their bullets to cast ballots that named 20-year-old starlet Polly Bergern, shown holding the regimental flag, the sweetheart of their outfit. Miss Bergern's first big picture concerns the history of the 7th Cavalry.

## Swenson Well In Stonewall Gives Up Promise of Oil Pay

Another extension of Swenson horizon pay in this vicinity was likely this week with the report that Cities Service had gotten a very favorable test in that sand on their Swenson well 10 miles northeast of Hamlin in the Flat Top area. Operator has set pipe in a production try after the drill stem test.

Qxford Drilling Company has plugged the Hines well after failure to produce from the Noodle Creek formation.

Texas Pacific Coal & Oil is below 5,000 feet on their Morgan Number 2.

That operator is below 2,000 feet on their H. O. Cassle Number 2.

General Crude is below 4,000 feet on their Thomas Ferguson Number 6.

General Crude is waiting on orders on their David Ulmer B-1, which was an attempt to get a second well in that area in the Strawn structure. Thus far the well has failed to produce oil.

Texas Pacific is below 3,000 feet on their Faye Young Morton Number 5.

## Bryan Lumber Builds Auxiliary Warehouse

Paul Bryan Lumber Company is completing construction on a new small items warehouse on East First Street as an enlargement of their plant in Hamlin.

The corrugated iron building is to be used for storage of asbestos shingles, rolled roofing and other small items such as nails and a general line of building hardware.

## Rotary Club Hears Talk on Flag Day

Hamlin Rotary Club heard Pat Patterson in their Wednesday noon luncheon discuss "America," and its flag.

He took up in detail what the flag stood for and how the enterprise of its people help make 83% of the farm homes and land owned by the people themselves. Farm income for 1951 was \$27,500,000, according to Patterson. He closed by asking everyone to help keep our flag the "symbol of freedom, and the land of the brave."

Rev. Danny Williams was a guest of Tate May and there were two visitors from Rule; seven from Abilene and three from Stamford.

I don't go much for bragging in folks... but come to think of it, I never walked home through the alley after catching a large fish.

## ARTHRITIS

Hundreds Claim Its Grip Broken!

Dear Friend:

Do you have Arthritis? Have you a relative or friend that is suffering from this painful, distressing ailment?

I came upon a simple remedy, that ended my long search and battle to rid myself of Arthritis. I had teeth pulled, tonsils out, serum shots, electric fever treatments, special built shoes, hot baths, pills and salves. The Arthritis withstood them all, and examination in several of the best known clinics could detect nothing. Finally, I discovered Sulgly-Minol. Today, after seven months I am more free of pain and soreness than at any time in twenty years. Can work ten hours a day, with nothing more than tired feet. Legs, hips, back, neck and arms are practically free of pain and soreness. This has cost me less than six dollars.

This is all I did, and you will have to do to try Sulgly-Minol. Just rub it on the soles of both feet before going to bed. A little will last about a month and will be enough to tell whether it will help. If it helps, keep it up for a month, and after that, just as you feel. If my feet feel sore from too much activity, I rub some on for a night or two. In my opinion, the benefits of Sulphur are more sure and complete on the soles of the feet. The results obtained have been acclaimed by many as a Godsend.

### The Celotexan

By MRS. O. R. CRISWELL

Our community was proud of the nice rains we've had. But now that the lakes and creeks are full, we are wishing it would stop for awhile. Some hail measuring six inches in diameter fell Sunday afternoon; no damage was reported.

Larry Moyer, son of Mr. and Mrs. Raymond Moyer, celebrated his first birthday with his grandparents, Mr. and Mrs. G. E. Wells of Hamlin last week.

Mrs. Clay Burchell, Mrs. Lillie Burchell and Mary Lou of Carlsbad, New Mexico and Mrs. Tom Campbell of Celotex visited relatives in Eastland and Cristoval last week.

Mr. and Mrs. Luther McClure of San Antonio are announcing the arrival of a daughter. Mrs. McClure was the former Evelyn Whitley.

Mr. and Mrs. Ira Green and family visited Mr. and Mrs. Lora Story of Abilene Sunday and also viewed the storm area.

Stanley Johnson, who is studying for the ministry at Corpus Christi, has been visiting his parents, the C. W. Johnsons.

Mrs. Lloyd Warnell has been returned home from a Rotan hospital.

Mr. and Mrs. W. A. Brown have been visiting in several points of Texas. They were with Mr. and Mrs. W. A. Brown Jr. of Stamford, Mr. and Mrs. Pete Wiedkoske of Houston, Willard Brown of Page and Hollis Brown of Bastrop.

Miss Patsy Mize (formerly of Celotex) was married to Billy Howard, Sunday at Wichita Falls. Patsy is the daughter of Mr. and Mrs. A. L. Mize.

Mildred Jones of Hamlin spent the week-end with Addie Bond.

Alton, Alvin and Carolyn Bryant are visiting in Wilson, Oklahoma, during the summer.

Mr. and Mrs. I. D. Aeklin and children spent the week-end with C. H. Watts and family of Anson.

Thomas Conn of Granger visited his sister, Mrs. W. I. Hester, last week.

Mr. and Mrs. C. E. Butler and children visited Mr. and Mrs. F. L. Simmons of Snyder, Sunday. Barbara is spending the week in Snyder.

Mr. and Mrs. H. C. Carr visited the Reuben Creightons of Big Spring last week.

Mr. and Mrs. Glenn White of Merkel visited Mr. and Mrs. Odell Wilbanks, Sunday.

Josephine Weaver of Swenson is visiting Mr. and Mrs. J. F. Weaver and son this week.

### Alathean SS Class Tea and Book Review Held In Patterson Home

Alathean Sunday School class of the Hamlin First Baptist Church entertained Monday, 28, with a tea and book review in the home of Mrs. LaFoy Patterson.

The book review was given by Mrs. I. R. Huchingson.

Refreshments were served to the following: Mmes. R. E. McCormick, M. Y. Wilson, class mother, Cecil Brown, J. H. Fitzgerald, Irby Weaver, Edward Gardner, A. G. Irwin, Bill Maddox, D. J. Turner Jr., Tom Nall, I. R. Huchingson, H. E. Brown, Lesley Shelburne, and the hostesses, Mmes. Patterson, E. N. Watson and Floyd Briscoe.

Tom Webb and Stanley Wilson of Abilene are visiting in the M. Y. Wilson home.

## Here's 180 Horsepower... on regular grade gas—Now!

NEW YORKER NEWPORT

It's always interesting to hear about future-looking experiments with new super engines to run on new super-octane fuels...someday.

But it's even more interesting to hear today's real life, on-the-highway talk about Chrysler's new super-performing FirePower engine. FirePower takes any regular grade gas you care to buy . . . and adds its own

**180 HORSEPOWER** Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

new mechanical octanes to the power-giving octanes of the gasoline itself. The result is 180 horsepower performance such as no other passenger car built in the U.S. today can equal.

If you haven't driven Chrysler FirePower yet, your Chrysler dealer invites you to do so now. It's the most revolutionary engine in 27 years. It offers highway satisfaction and safety such as you've never known.

And it's a sounder engine other ways than any other on the road. Its new design keeps it almost completely carbon-free. It is smooth and quiet . . . but also rugged

and strong and free from need for great attention and repair.

Now remember that this same new Chrysler offers you the new Hydramatic power steering . . . plus the amazing new rough-road stability of Oriflow shock absorbers . . . plus Water-Proof Ignition, and Vacuum-Ease Chrysler Cyclebonded super-brakes . . . then come see what we mean when we say the car of your tomorrow is right here for you to drive . . . today, and for years to come!

\*Hydramatic regular on Crown Imperials, optional at extra cost on other Imperial and New Yorker models.

### Young Adult SS Class Hold Monday Social

Young Adult Sunday School class of the Hamlin First Methodist Church held its regular social and business meeting Monday.

Alvin Hudson, class president, presided and the following class officers were elected as follows: W. T. Johnson, president; Mrs. Edward Grienecks, vice president; Mrs. N. B. White, secretary and treasurer; Mrs. Albert Chandler, reporter.

After the business session the group played games. A picnic lunch had been planned but the rain cancelled the undertaking.

Those present included: Rev. and Mrs. Duane Bruce and children, Mr. and Mrs. Dean Witt and daughter, Mr. and Mrs. N. B. White and Jean, Mr. and Mrs. Walter Sanders and daughter, Mr. and Mrs. Alvin Hudson, Mr. and Mrs. Albert Chandler, Mrs. Hazel Grienecks.

Mrs. Homer Embrey and daughter, Amor Lee, and Mrs. M. L. Head and son, Wayne, of San Antonio were guests over the weekend in the home of Mr. and Mrs. Shannon Carter and son, J. W.

### Friendship HD Club Holds Lawn Party

Friendship Home Demonstration Club met last Friday and held a lawn party with Mrs. Ray Johnson, as hostess.

Roll call was answered with a safety hint.

Mrs. Cecil Brown and Mrs. Grady Smith gave "Ways to Make Homemaking Jobs Easy". Each member then gave their ways of making homemaking jobs easier.

Cake and cokes were served to the following: Mmes. Cecil Brown, Sol Branscum, Gean Witt, Ed Branscum, June Jones, J. E. Johnson, M. F. Green, M. S. Johnson, H. E. Brown, T. W. Flenniken, Grady Smith, John Hix, M. E. Carlton, Elbert Fomby, D. W. Carlton, Jap Kemp, Ray Johnson, James Brown, Jack Collins, Robert Johnson and a visitor, Mrs. J. E. Hix.

Next meeting will be held Friday, June 22 in the home of Mrs. John Hix at 3:00 p. m.

## McCaulley News

By RUBY PERRYMAN

Mrs. Clifford McDaniel of Tilden and a sister, Mrs. Bessie Cornish and son, Billy Bob, of Healdton, Oklahoma visited Mrs. Della Fancher, Saturday.

Mrs. Bill Kean, Howard and Sarah visited in the home of her daughter, Mrs. L. Brewer, of Abilene, Sunday. They reported the nail did quite a bit of damage to their home, garage and the Kean's car.

Don Williams of Abilene is visiting his cousin, Teddy Masser, this week.

Mrs. Luther Akins of Abilene, a former resident of McCaulley for many years, passed away last Saturday. Services were held in the McCaulley Baptist Church, Monday. Rev. C. E. Dick of Lubbock, a former pastor, conducted the final rites.

Clifford Carlan and family were week-end visitors in the Carlan home.

Mrs. Viola Hendon, Weldon and Larry visited the Keans, Tuesday of last week.  
Miss McDonald and Miss Hensley are helping with the vacation bible school. A nice attendance is reported.

"I got the story on

50,000 Miles-No Wear

and changed to New Conoco Super Motor Oil

"I travel 60,000-80,000 miles a  
year. I thank Conoco for oil that  
lets me operate at such low ex-  
pense," says Mr. Emerson. "With  
me it's Conoco Super or none!"

"50,000 Miles-No Wear!" Proved Here:

After a punishing 50,000-mile road  
test, with proper drains and regular  
care, engines lubricated with new  
Conoco Super Motor Oil showed no  
wear of any consequence; in fact, an  
average of less than one thou-  
sandth inch on cylinders and crank-  
shafts. AND gasoline mileage for the  
last 5,000 miles was actually 99.77%  
as good as for the first 5,000!

GARAGE OWNER

"I recently gave Conoco Super a  
thorough test," writes A. E. Stan-  
bridge, Garage Owner, Salt Lake  
City. "My engine never performed  
more perfectly. Conoco Super gave  
me 'super' economy in oil consump-  
tion and gasoline mileage."

MAIL CARRIER

"I depend on my car for my living,  
so I'm looking for the best in motor  
oil," states Lowell T. Roe, Rural Mail  
Carrier, Waxahachie, Texas. "I've  
found it in Conoco Super. This car  
still runs like new, after 40,000 miles  
of service!"

### Carton Keeps Butter Better

Proper refrigerator storage is an important angle in food conservation. Butter should be bought and kept in the paraffined carton in which it is purchased, so that moisture and the odors of other foods will not affect its flavor and consistency. All leftovers should be stored in covered containers. Store milk in your refrigerator immediately; the bacterial count increases rapidly at room temperature, and light destroys some of the valuable vitamin content.

### Rodgers-Posey, Maynard-Earley Double Rites Read in Hamlin's First Baptist Church June 3

Sunday, June 3, marked the date of a charming double wedding ceremony at the First Baptist Church in Hamlin when Doris B. Posey and Norma Joy Maynard and Private First Class Thomas V. Earley were united in marriage. Reverend A. R. Posey, pastor of the Baptist Church read the ceremonies at 2:30 in the afternoon.

Mrs. Posey is the daughter of Mr. and Mrs. Edd Rodgers of Hamlin and Posey is the son of the pastor. Corporal Posey is stationed at Carswell Air Force Base, in Fort Worth.

Mrs. Earley is the daughter of Mr. and Mrs. W. L. Maynard of Hamlin. Private Earley who is stationed at Sheppard Air Force Base at Wichita Falls, is the son of Mr. and Mrs. H. M. Earley of Sylvest.

In the candlelight setting were baskets of white gladioluses.

Mrs. W. C. Russell, organist, and Kenneth Hill, Abilene soloist, gave wedding music. Mr. Hill sang "Because" and "A Wedding Prayer."

Attendants for the Rodgers-Posey nuptials were Oleta Kite, as maid of honor; Patsy Brown, the bride's cousin and Barbara Posey, bridegroom's sister, were bridesmaids. Gloria Jean Rodgers lighted tapers for her sister's marriage. Best man was the bride's brother, James Rodgers, Sheppard AF Base. Ushers were Aubrey Altum, Abilene and E. B. Posey, Jr. Sweetwater.

Attendants for the Maynard-Earley ceremony included the sister of the bride, Billie Maynard, Abilene, maid of honor; Oleta Maynard, a cousin, and Dorothy Fay Altum, bridesmaids; Reta Jane Maynard, another sister, as candlelighter.

Best man was Private First Class Glenn Blake of Sheppard, and a former resident of Sylvest. Ushers were Jerry Bingham, cousin of the bride and Glenn King.

The brides were given in marriage by their fathers and wore white embroidered gowns, fashioned with fitted bodices and Peter Pan collars. The skirts were bouffant. Short veils of nylon net fell from headbands of lilies of the valley and forget-me-nots. They had white organdy mitts and white opera pumps. White Bibles were carried ornamented with orchids.

The maids of honor chose brown organdy dresses, fashioned similarly to that of the brides' dresses. Their headresses were braided brown organdy, entwined with white daisies. They wore white opera pumps.

Bridesmaids wore dresses in green and orchid organdy with a matching headress. They carried colonial bouquets of daisies.

Candlelighters had green taffeta dresses and daisy wristlets. All attendants wore ballerina length dresses.

A reception was held at the church dining room following the nuptials at which the mothers of the brides assisted in receiving.

When Corporal and Mrs. Posey left on a wedding trip to vacation spots in New Mexico, the bride was wearing a pink Handmacher suit with navy accessories. Her corsage was an orchid from her bridal bouquet.

Mrs. Posey is a graduate of Hamlin High School and Posey is a graduate of Chillicothe High School and attended Hardin-Simmons University. They will make their home in Fort Worth where Posey is on duty as a weather observer.

Mr. and Mrs. Earley departed for Wichita Falls where the groom is on duty and Mrs. Earley wore a navy blue 2-piece faille suit with collar and cuffs of white pique. She also wore white linen pumps, white pique hat, white nylon gloves and wore a corsage of orchids.

Mrs. Earley is a member of the Junior Literary Club, Pep Squad and is a 1951 graduate of Hamlin

High School. Earley graduated from Sylvester High School. The two brides are cousins.
